

Pamela Jett, Jett Communication, Inc.

Keynotes • Seminars • Consultations

Please read verbatim

Our speaker, Pamela Jett, has had a life-long romance with words and their effect on human relationships. As a sought after keynote speaker, trainer, and coach Pamela provides audiences worldwide with remarkable communication tools for remarkable results.

Pamela has worked with distinctive clientele such as: Intel, American Express, Sony, the Mayo Clinic, and Chevron North America. She is the author of several books and audio programs including *Communicate with Confidence, Credibility and Influence*.

In 2007, Pamela earned the prestigious Certified Speaking Professional designation from the National Speakers Association. This designation is held by less than 200 women worldwide and is a testament to Pamela's exemplary business practices and client satisfaction.

Audiences rave about Pamela's high energy, her witty humor, and her practical tools for success.

Please help me welcome Pamela Jett.
